New Employee Joins Shimpo Ceramics Team!

ITASCA, ILLINOIS; October 4, 1999 – Shimpo Ceramics is pleased to announce the addition of Ernest Aryee to its staff as Sales and Customer Service Representative. Ernest's ceramics background and sales experience will enable him to provide top-notch sales/customer support and technical assistance to Shimpo's customers and dealers. Ernest received his MFA in Ceramics from Southern Illinois University; he has instructed ceramic classes at several renowned art centers including the Art Institute of Chicago.

Shimpo Ceramics, a division of Nidec-Shimpo America Corporation, is a leading manufacturer and distributor of ceramic equipment including potter's wheels, electric kilns, pug mills, banding wheels and accessories to the pottery, hobby and school markets.
